Interactive White Board

A finger touch interactive white board that comes equipped with an array of smart tools and libraries to facilitate efficient teaching and learning

Short Throw Projector

Compact yet powerful 3000 lumens projector, equipped with latest technology for better and clear images

Green Board

The traditional green board, helping you going to old classic ways of chalks and duster for simulations like long power cut, etc.

Integrated System

An integrated system includes a powerful Intel CPU, Visualizer, Multimedia Volume Controller, Mousepad, Keypad, Speaker & USB ports.

Standard Features

Software

Interactive board collaborative learning software included

Induction way

Infrared sensor

Multi-touch

Win10, Win8, Win7, Vista, XP, Linux multi-touch supported

Screen Format : 4:3

Antilight Intensity

Under Daylight Indoor & Outdoor Environment

Resolution

Touch resolution is approximately 4096 x 4096.

Working Temperature

-20 c to + 60 c

Cursor Speed

12 m/s

Power Supply

USB power less than 5V/100 mA

Surface Dimension

Overall Dimension : 1257.3 x 1803.4 mm(49.5 x 71 inch)

Overall Diagonal : 2184.4 mm(86 inch)

Active Area Dimension : 1676.4 x 1143 mm(49.5 x 71 inch)

Active Area : 1971.05 mm (77.6 inch)

PC Connection

USB 2.0 5m cable

CPU Specification

Processors

Intel® Core™ i3-3220 3.30 GHz, 3MB Cache LGA 1155

Operating Systems

Linux OS (open source), Windows (optional)

Chipset

Intel® CF G6-IX H61 Series

Form Factor

All in one

Serial SATA Hard Drive Memory

500 GB 5400 RPM SATA 3.0 GB/s 2GB 1333 MHz DDR3 SoDIMM

Communications

Supports Realtek 8105E/8111E 10/100 MBPS

Visualizer

5.0 Mega Pixels Document Visualizer

Graphics Card

Intel GMA HD (integrated)

Power Consumption

300 W

Keypad & Mouse Pad

Inbuilt

Speakers

Internal speakers 30 W

UPS

1000 VA Dual battery

Projector Specifications

Projector Resolution

XGA 1024 X 768 Pixels

Product Dimensions

296 x 120 x 239 mm (WxDxH)

Maximum Resolution

WUXGA 1920 X 1200

Product Weight

4.8 lbs / 2.17 kg

Brightness

3000 lumens

Aspect Ratio & Contrast Ratio

4:3, 16:9 (4 aspect ratio spectable) & 20,000 :1

Type

Short Throw

Power Consumption

270 W
